◆
April 2024

Hey there, how are you? Here's an Old Church Update

As the vibrant colors of spring begin to bloom and the days grow longer, we find ourselves stepping into the beautiful month of April. It's a time of renewal and growth, both in nature and within our community. We hope this season brings you renewed energy, inspiration, and opportunities to connect with your neighbors and friends at our community center.

April is filled with exciting events, including our Swim Team Registration Open House on Friday, April 26. Followed up by our Annual Spring Clean Up Day on Saturday, April 27. We invite you and your family to join us in sprucing up our beloved community space.

In the de-winterizing process Douglas Aquatics and the OCCC Board uncovered some necessary components needing to be replaced before the season began. We are working on finalizing the repairs necessary to our pump motor, and the pool

should be looking beautifully blue in a few weeks.

Swim Team will begin earlier than ever this year, on May 20. To kick off the season the team will host a pork butt fundraiser. Pork butts are on sale now with a pick up date of May 18 from 12:30 - 1:30 PM at the community center. The cost per butt is \$45. Keep reading to find the link for orders!

Last but not least we're kicking off the summer season with a splash on May 25. Join us for a day of fun, sun, and swimming as we open our doors to members and guests.

Together, we can make a real difference in 'Our Community, Our Family, Our Future'. Thank you for being an essential part of our community. We look forward to seeing you at the community center and wish you a happy and fulfilling April!

Sponsorship Info

We're thrilled to announce the generous support of two businesses that have chosen to sponsor our beloved community center. Their commitment to our mission and their dedication to uplifting our community are truly commendable. We extend our heartfelt gratitude to:

MowHawks

We're absolutely blown away by MowHawks! David Hall from MowHawks has gone above and beyond with a generous donation—he's also unleashing his team to clear away leaves, spread fresh mulch, and even net us a new basketball hoop! MowHawks' dedication to both commercial and residential lawn care goes beyond mere service; it cultivates the true spirit of giving back and fosters a sense of pride in our shared spaces. A big thank you to our perennial champs, MowHawks!

The Cherub School

From ABCs to acts of kindness, the Cherub School really makes the grade! Cherub is a hidden gem in the heart of our community, and has been the starting line in the lifelong race of learning for many of our children. We are grateful to our friends at the Cherub School for not only sharing their crayons but also for holding our children's hands, wiping away their tears, tying their little shoes and filling ours. From all of us, thank you to Cherub School for being such a class act!

We're excited to share that there are more businesses to come! Stay tuned as we continue to forge partnerships with businesses that share our vision for a vibrant and thriving community.
